## bio • hüseyin cirpan, PhD

Dr. Hüseyin Cirpan is a senior leadership coach who has proven success in developing professionals, building teams and refocusing organizations, making them resilient and efficient. He partners with successful leaders and their teams to equip them with strategies to develop and realize compelling visions. His clients learn to foster healthy reporting relationships, align senior teams, influence without authority, communicate with impact and acquire interpersonal skills that translate into inspiring and effective leadership.

Hüseyin's coaching is anchored in a holistic approach to leadership, and his extensive consulting experience in human capital management adds unique value to the work with his clients. His perceptive ability and warm coaching style gives him a unique vantage point from which he helps clients gain insights, discover possibilities and leverage their strengths and talents.

Hüseyin has a degree in Business Administration from Hacettepe University (Turkey), a Masters degree in Finance from Exeter University (UK) and a PhD in Organizational Development from Istanbul University (Turkey). Hüseyin is a sought after lecturer on a variety of subjects, including strategic management, contemporary management techniques and organizational behavior.

He is also certified practitioner of The Team Diagnostic Assessment, The Cultural Transformation Tools and the Myers Briggs Type Indicator (MBTI). He has completed 14 days of an Organization Relationship and Systems Coaching program that focuses on coaching teams and relationship dynamics. A certified coach with the International Coach Federation, he has also completed the Co-Active Coaching training, is a qualified practitioner with The Inspired Leadership program (developed by Dr John Benjamin Franklin), is certified as a Cultural Transformation Tools consultant and is trained in Harvard's Immunity-to-Change process.

Hüseyin's work is his passion. In his spare time, in addition to spending time with his wife and two teenage sons, Hüseyin loves sitting on a hill with a water pipe and view of the Bosphorus, enjoying the company of his friends.
